PROFILE

Enthusiastic Full Stack Web Developer with hands-on experience in developing responsive and scalable web applications. Skilled in frontend and backend development using JavaScript, Node.js, Express.js, MongoDB, Firebase and REST APIs. Passionate about learning modern technologies and building efficient software solutions.

TECHNICAL SKILLS

Programming Language	JavaScript, Java, Python
Frontend	HTML5, CSS3, JavaScript, React.js, Tailwind CSS
Backend	Node.js, Express.js, REST APIs
Database	MongoDB, SQL, Firebase
Tools	Git, GitHub, VS Code

PROJECTS

Skill Swap Platform

HTML, CSS, JavaScript, Python

- Developed a peer-to-peer skill exchange platform enabling users to share and learn skills without monetary transactions.
- Implemented user authentication, profile management, skill listing, search functionality, and request-based skill matching.
- Designed the system to promote collaborative learning and community-based knowledge sharing.

MediVerify – AI Prescription Verification System

- Developed an AI-powered system to verify delivered medicines against doctors' prescriptions using OCR and NLP techniques.
- Implemented real-time prescription and medicine label matching, reducing delivery errors by approximately **85%**.
- Designed an alert-based validation system to notify users of mismatched medicines before delivery.

INTERNSHIP EXPERIENCE

Park Intel Solution, Chennai

Nov 2024 – Jan 2025

- Developed full-stack web applications using the MERN Stack (MongoDB, Express.js, React.js, Node.js).
- Built responsive user interfaces using React.js and JavaScript.
- Developed backend services using Node.js and Express.js.
- Integrated MongoDB and Firebase for database and real-time functionality.
- Developed REST APIs and collaborated with the development team using Git and GitHub.

UI/UX Focused Front-End Developer

Jan 2024 – Apr 2024

- Designed modern and responsive web interfaces using HTML, CSS, and JavaScript.
- Developed reusable React.js components for scalable applications.
- Improved website usability, navigation, and responsive layouts.
